My Story

It has been a long roller coaster of a journey getting here. I joined the Air Force right out of high school wanting to see the world.

Go figure, my first duty assignment was Warner Robins, GA.

I got sent to Guam next and all over the world from there. After 8 years of service and 2 years in corporate IT work, I got tired of being stuck behind a desk and in windowless rooms.

I moved back down to Georgia to help run the family restaurants in 2013.

Fast forward to 2024 and I have two boys, Hunter and Hudson, who both mean the world to me. I have been able to follow in my parents footsteps and took over ownership of Friends Dawsonville in January 2023.

I am blessed to have something to build that I can pass onto my wonderful boys someday. And I am so blessed to have such great customers, many of whom have become closer than "Friends" to the point that I consider them Family.

I pride myself on being available to my "Friends" My cell is 678-928-1386 and my email is bfailla84@hotmail.com. If you need to contact me for anything, please don't hesitate to reach out!

Thank you for supporting this local business and making this journey possible. We value all our customers and the community we call home.

Football & Wings

Deep fried chicken wings have long been a staple of Southern Cooking.

But, the rise of the chicken wing and its connection to American football all had to do with timing. Cooking the whole bird was trendy in the 60's and 70's, but in the 80's the US consumers started preferring boneless-skinless breast meat. And, so, wings became an inexpensive byproduct for chicken producers. Restaurants and bars realized they could charge low prices for the relatively inexpensive protein. And due to the spicy/salty nature of Buffalo sauce, they also discovered that beer sales would go through the roof when customers ate wings.

What used to be an inexpensive byproduct, has now become an entire industry. Chicken Wings now sell for a premium compared to boneless-skinless chicken breast. And this year alone, Americans will eat 1.5 BILLION chicken wings for the Super Bowl.
