# Bar Jokes

**A five-dollar bill walks into a bar. The bartender says, "Hey. This is a singles bar."**

**ComicSans, Helvetica, and Times New Roman walk into a bar. "Get out!" shouts the barman. "We don't serve your type here!"**

**A neutron walks into a bar. "How much for a beer?" the neutron asks. "For you?" says the bartender. "No charge."**

**A three-legged dog walks into a saloon, his spurs clinking as he walks, his six-shooter slapping at his furry hip. He bellies up to the bar, stares down the bartender, and proclaims, "I'm looking for the man who shot my paw."**

**Two guys walk into a bar. The third guy ducks.**

**A cowboy walks into a bar. His hat is made of brown wrapping paper, his shirt and vest are made of waxed paper, and his chaps, pants, and boots are made of tissue paper. Pretty soon they arrest him for rustling.**

**A corn stalk walks into a bar. The bartender says, "Want to hear a joke?" The corn stalk replies, "I'm all ears!"**

**A horse walks into a bar. The bartender says, "Hey." The horse says, "You read my mind, buddy."**

**A termite walks into the bar and asks: "Is the bartender here?"**

**A Roman centurion walks into a bar and says "I'll have a martinus."**

**Bartender says "you mean a martini?" And the centurion replies "Look, if I wanted a double I would've asked for it."**

## Our Story

For years we longed to work for ourselves. Finally one day in 2010 we did it! We jumped into the unknown and built our American Dream...

Here we are now handing over the reigns to our children and treasured employees.

We are so very proud of what we have accomplished and can't wait to see what the next generation of Friends will become.

Our story may be ending, but the next story now begins!

We thank everyone who has ever stepped foot through our doors and helped us live our American Dream.

God bless, Suzanne and Ray
